

WE'RE HIRING

EQUIPMENT COORDINATOR Squamish, BC

Would you like to be part of the talented team dedicated to science-based, ethical environmental consulting? Then Ecofish wants to hear from you!

We are looking for an **Equipment Coordinator** to join our professional environmental consulting team in Squamish, B.C. This permanent part-time position will report directly to the Equipment Manager in our Squamish office. We provide a safe, supportive and engaging culture that is based on innovation, collaboration, integrity, with the opportunity to apply new technology, gain problem-solving skills, and realize your career potential. Our compensation plan is competitive and there are great opportunities for growth and advancement through mentorship, training, and other professional development opportunities.

This role will be responsible for:

- Managing, organizing, and repairing of environmental field sampling equipment.
- Ensuring all equipment is maintained and tracked according to the company's standard operating practices.
- Sourcing, packing and purchasing equipment to support numerous and competing field-based programs.
- Coordinating equipment use between Ecofish's multiple equipment locations.
- Annual inventory and ongoing maintenance/calibration.

QUALIFICATIONS AND SKILLS:

If you have the following qualifications and are looking for an exciting and challenging opportunity, we would like to hear from you.

- Post-secondary education (technical diploma or certificate) would be an asset, but not required.
- Experience with maintaining and repairing equipment.
- Equipment/warehouse inventory experience.
- Knowledge of scientific equipment such as water quality meters, electrofishers, hydrometric equipment.
- A flexible schedule and the ability to accommodate seasonal work demands.
- Able to work independently with minimal supervision.
- Able to work under pressure in a fast-paced environment and adhere to strict deadlines.
- Positive attitude and strong interpersonal skills to work within a team environment.
- Efficient, thorough and detail-oriented.
- Effective communication skills, both oral and written.
- Good foundation of software skills.

Apply Now!

Interested applicants can send a resume and cover letter that clearly identifies their experience as well as three references to apply@ecofishresearch.com. **Applications will be accepted until July 26.** Only those applicants that are selected for an interview will be contacted. No phone calls please.
