

**SENIOR PROJECT MANAGER**  
Office Location: Terrace, BC

#### WHO IS ECOFISH LOOKING FOR?

We are looking for a dedicated and hard-working Senior Project Manager to join our dynamic team! Are you looking for an opportunity to join a team of experienced and skilled professionals who thrive on innovation, collaboration, and integrity? While working alongside Ecofish experts in your field, we will support your career goals by providing great opportunities for growth and advancement through mentorship, training, and other professional development opportunities.

This role will be based in one of our eight office locations; however, Terrace or Fort St. John is preferred.

#### WHY ECOFISH?

At Ecofish, we have made the environment our life's work, as reflected by our mission: Creating and implementing innovative environmental designs and practices to create solutions that assist and support industry and government, deliver green, sustainable developments.

To achieve our mission, our team is the embodiment of our values:

- **Science based:** We characterize, hypothesize, predict and test – to be accurate and assure quality.
- **Ethical:** We consistently meet or surpass environmental laws, regulations, and guidelines to minimize impacts on the environment.
- **Ingenuity:** We develop novel techniques to increase accuracy in assessing environmental impacts and create innovative solutions for our clients.
- **Professional:** We are competent, honest, ethical, reliable, and certified by accredited bodies.

Ecofish incorporates these values in all aspects of our work. Social responsibility is at the core of our mission. Internally and externally, we bring a strong willingness to be cooperative and supportive of our clients, employees, and suppliers.

#### APPLY NOW!

Please send a resume and cover letter as well as three references to [apply@ecofishresearch.com](mailto:apply@ecofishresearch.com)

Applications will be accepted until June 30, 2021. Only those applicants that are selected for an interview will be contacted. No phone calls please.

#### WONDERING WHAT YOU'LL BE RESPONSIBLE FOR?

- Will oversee environmental projects including environmental assessments and environmental compliance monitoring.
- Manage time sensitive project tasks at all stages and staying on schedule and within budget.
- Select and schedule company resources for projects.
- Communicate with clients, stakeholders, Indigenous groups, and regulators.
- Participate in business development and leading proposal preparation.
- Provide leadership and support on projects as required.
- Hire, manage, and train project and task managers.

#### THE QUALIFICATIONS AND SKILLS WE ARE LOOKING FOR.

- 5+ years of work experience in an Environmental Consulting background, or equivalent
- 5+ years project management experience
- Formal project management training an asset.
- Demonstrated leadership abilities, critical thinking, ability to make and document sound decisions, problem solving skills.
- Excellent time management, organizational, and multi-tasking skills.
- Strong attention to detail with a commitment to quality, excellence, and ethics.
- Ability to work under pressure in a fast-paced, dynamic business with strict deadlines, budgets, and quality standards.
- Effective and demonstrated communicator with strong inter-personal skills.
